IN COUNCIL.

ON a Memorandum dated 10th December, 1895, from the Minister of the Interior, submitting that by the Order in Council of the 25th of July last, the licenses of timber berths situate in the Railway Belt in the Province of British Columbia were permitted to pay dues on the timber cut by them at the rate of fifty cents per thousand feet B.M. instead of a royalty of five per cent. on the sales of lumber, and they were also entitled to receive a rebate of forty cents per thousand feet on manufactured lumber exported from the Province, except upon lumber shipped to Manitoba or the North-west Territories.

That representations have been made to the Minister of the Interior by the licensees, that this new regulation makes the dues on the lumber sold in the Province and shipped to Manitoba and the North-west Territories higher than formerly when they paid a royalty of five per cent. on the sales, instead of a fixed rate of fifty cents per thousand feet.

The Minister states that lumber at the present time is selling in the Province of British Columbia at from \$7 to \$9 per thousand feet. The royalty thereon at five per cent. would therefore amount to from thirty-five to forty-five cents per thousand feet, being from five to ten cents per thousand feet less than the dues of fifty cents per thousand prescribed by the Order in Council of 25th July last, above referred to.

The Minister recommends, as it was the intention in passing the said Order to give relief to the licensees instead of burdening them with an additional tax on the lumber cut by them, that the dues on lumber sold in the Province and exported to Manitoba and the North-west Territories be five per cent. royalty on the sales, and that the dues on lumber otherwise exported from the Province be at the same rate less a rebate of forty cents per thousand feet.

The Committee submit the above recommendation for Your Excellency's approval.

*Clerk of the Privy Council.*

Monday, the 2nd day of December, 1895.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

ON a Report, dated 12th November, 1895, from the Minister of the Interior, submitting that in the year 1878, the Department of Indian Affairs allotted to the Nicomen Band of Indians, in Yale District, British Columbia, two small reserves to be known as the Put-kwa and Shu-ouch-ten Reserves, containing an area of 10.50 acres each. These Reserves were surveyed in the year 1886, and were found to lie within the railway belt ceded to the Dominion by the Province of British Columbia, and have been located in Township 15, Range 26 west of the 6th Meridian, in the Dominion Lands System of Survey.

The Minister further states that the Department of Indian Affairs has submitted a plan and descriptions of the Reserves in question, and desires the assent of Your Excellency thereto.
